Avon Community School Corporation
H1N1 Vaccination Clinics

The Hendricks County Health Department has scheduled H1N1 flu vaccination clinics at two (2) Avon Community School Corporation elementary buildings. Clinics will be conducted 4:00 PM – 8:00 PM, or until vaccination supplies last.

Tuesday, November 17, 2009 @ Sycamore Elementary gymnasium
7878 East 100 North, Avon, IN
317-544-6600

Wednesday, November 18, 2009 @ Hickory Elementary gymnasium
907 S. State Rd. 267, Avon, IN
317-544-6300

- Vaccinations will be available for Avon residents, ages six (6) months to eighteen (18) years old.
- Equal doses of vaccinations will be available at both sites.
- Distribution will be based upon first come, first served.
- Flu mist spray and injection shot vaccinations will be available.
- Hendricks County Health Department is requiring new consent forms to be completed at the clinic sites. Previously submitted consent forms will not be accepted.

To date, no additional school-based vaccination clinics will be scheduled at Avon School Corporation buildings.
